Written Testimony in SUPPORT of SB 180

Madam Chair and members of the Education, Health, and Environmental Affairs Committee, I am here to introduce and voice my support for Senate Bill 180 – *Funeral Establishments and Crematories – Unclaimed Remains of Veterans – Notification, Disposition, and Reporting*.

Senate Bill 180 would require a licensed funeral establishment and an owner of a crematory business in possession of the unclaimed remains of a veteran to contact the Department of Veterans Affairs for the purpose of the appropriate disposition of remains.
